

Brothers in Christ,

We are beginning another new and exciting school year and our youth, as yours probably are too, are already beginning to fill their schedules and lives with many activities and obligations. It is for this reason that we wanted to send out a calendar of upcoming events to some of the churches in our area so that the young people can plan ahead for what is sure to be an exciting year to be a young Christian in central MO.

I have enclosed a flyer for "Camp Repeat Retreat" which is scheduled for Sep 21-22 at Little Prairie Bible Camp. In addition, I have enclosed the basic rules for our Bible Quiz bowls and a calendar with dates and locations for them. This is something we began last year and the number of participating churches has increased from four to eight or nine with room for several more. The third item of information enclosed is a calendar for the Teen Fellowships which are scheduled quarterly at different area congregations. The final piece of information in the packet is a simple letter justifying the need for all of these - and more - opportunities to bring your young people in closer contact with other and closer in their walk with the lord.

In Him,

George Hulett, Jr.  
Rolla Church of Christ
